EVALUATING CHILD ABUSE

AND NEGLECT:

The Difficult Diagnosis

June 13-14, 1983

The Towsley Center for
Continuing Medical Education
University of Michigan Medical School
Ann Arbor, Michigan

Program

Content and Format

This conference is designed to emphasize issues in the diagnostic evaluation of child abuse and neglect cases. Abuse and neglect cases often present with subtle findings that are best coordinated through a multidisciplinary approach. Faculty in this program are from the fields of medicine, social work, psychiatry, psychology, nursing, and law. The conference will focus on collaboration between the health care professionals for effective evaluations.

Workshops

Prevention with High Risk Families

The multidisciplinary team in this workshop will focus on working with high risk families. Discussion will be on strategies for intervention with the emphasis on prevention programming.

Is It Child Abuse? Interviewing Families

A multidisciplinary presentation about interviewing parents and children in the medical setting. Interview guidelines and practical approaches for doctors, nurses, and social workers will be demonstrated by films and discussions.

How to Give Expert Testimony

This workshop will focus on preparing the health care professional for giving effective testimony in court. Videotapes and discussions will be used for demonstrations.

Evaluation of Child Sexual Abuse

This workshop will cover a multidisciplinary assessment of child sexual abuse. This includes medical diagnosis, evidence to be gathered, and information to be obtained from the child and significant others. Specific interview techniques will be discussed.

Evaluation of the Burned/Abused Child

The evaluation and differentiation between accidental burn injuries and child abuse will be the focus of this workshop. Implications for immediate and long term treatment will be discussed. This workshop will only be held on Tuesday at 3:10 p.m.

Working with Families of Failure to Thrive Patients

This workshop will focus on the psychosocial evaluations of families of children diagnosed as nonorganic failure to thrive. Intervention strategies for immediate and long term management will be discussed.

The Towsley Center

The Towsley Center for Continuing Medical Education is one of the few modern conference centers in the country devoted entirely to health education. It is also one of the premier conference facilities of any kind. Among its resources are the 485-seat Dow Auditorium, the 144-seat Sheldon Lecture Room, 3 classrooms of 45-60 seats each, 3 conference rooms for 20 each, full dining facilities, and an expansive display lobby. Soon to be added is a medical bookstore. Full audiovisual capabilities are maintained, including such features as audio and video recording, closed-circuit television, video projection of a 12-foot image, and interactive teaching computers. An associated unit is the Learning Resource Center, which has 100 study carrels, 3 educational computer rooms, and 2 clinical skills rooms.

By legislative mandate, the Office of Continuing Medical Education is self-supporting, including all conference-related costs of the Towsley Center.

Who Should Attend

This course is designed for pediatricians, family and general practitioners, emergency physicians, social workers, nurses, lawyers, juvenile court referees, juvenile court judges, psychologists, psychiatrists, and other health care professionals concerned with child abuse.

Registration

You are urged to register as soon as you are certain of attending. Checks should be made payable to The University of Michigan. Cancellations postmarked 7 or more days prior to the course will be fully refunded. Cancellation notifications received from then until the end of the course will be refunded at 50%.

The course fee covers the cost of luncheons, refreshments, and conference materials involved in making the course an effective learning experience.

Transportation

Detroit Metropolitan Airport serves Ann Arbor and is located 25 miles east of Ann Arbor on I-94. There is regularly scheduled limousine service to Ann Arbor hotels. Taxicabs and rental cars are also available.

Lodging

To arrange for your housing requirements, please complete the Hotel Registration Form and return it to Marriott Inn, 3600 Plymouth Road, Ann Arbor, Michigan 48105; Phone (313) 769-9800.

A deposit of one night's lodging must accompany your hotel reservation to guarantee lodging. Bus service will be provided between the hotel and the Towsley Center for those attending the course.

Food

Lunch is catered by Weber's, a restaurant distinguished for the excellence of its food and service.

Continental breakfast — consisting of bagels, rolls, fresh fruit, orange juice, and coffee — is provided each morning, as well as morning and afternoon coffee and juice breaks. For dining, a list of "Our Choices" among Ann Arbor restaurants has been compiled.

Accreditation

The University of Michigan Medical School is accredited by the Accreditation Council on Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians. As an organization accredited for continuing medical education, the University of Michigan Medical School designates this continuing medical activity as meeting the criteria for 14 credit hours in Category I of the Physician's Recognition Award of the American Medical Association. C.E.U. credits (1.4 units) have been applied for nurses and other allied health professionals.

Parking

Parking is limited on the Medical Campus. Persons driving to this course may park in the Patient and Visitor Parking Structure adjacent to the South Ambulatory Care Building for easy access to the Towsley Center. The daily charge is presently \$4.25.

Recording of the Program

Recording of the program with battery-operated tape recorders not requiring podium microphones is permitted, if it is for the registrant's personal use.
